A+:

Smeg products with A+ or A++ energy rating are highlighted with one of the following Symbols

Frost free:

The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Power saving mode:

The power saving mode allows you to disable the refrigerator and keep the freezer working.

Fast freezing:

The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

Natural Plus Blu Light:

This unique Natural Plus Blu Light system works with nature to increase the storage time of fruit and vegetables.
