

## MP122B1 New product

### linea

"Linea" Microwave Oven with electric grill, White  
320mm depth allows installation in wall unit

EAN13: 8017709250157

- 5 functions including pizza

#### Side opening door

#### Controls positioned at the bottom

- Electronic timer
- Tilting grill
- Quartz Grill (1.2kW)
- Microwave Output Power 850W
- Oven Capacity: 22 litres
- Usable cavity space dimensions (HxWxD): 220x350x280mm
- ceramic base
- St/steel interior
- Cooling system
- Auto calculation of defrosting by time or weight
- Child safety lock

Standard accessories:

Chrome grill support

### Functions

Main oven

### Accessories

- **KITMP38** - Thinner bar to reduce height to 38cm

### Versions

- **MP122S1** - Linea microwave oven with electric grill, Silver glass
- **MP122B1** - Linea microwave oven with electric grill, White

---

## Main oven

---

### Grill element:

For rapid cooking and browning of foods. Best results can be obtained by using the top shelf for small items, the lower shelves for larger ones, such as chops or sausages. For half grill heat is generated only at the centre of the element, so is ideal for smaller quantities.

### Pizza function:

The simultaneous operation of these three elements ensures an optimum cooking facility, ideal not only for pizza but also for cookies, quiches and flans.

### Defrost by time:

The circulation of air enables quicker thawing of frozen food, without the use of any heat. The microwaves power will be automatically varied to achieve the best thawing results.

### Defrost by weight:

The circulation of air enables quicker thawing of frozen food, without the use of any heat. The defrosting time will be calculated based on the food's type and weight and the microwaves power will be automatically varied to achieve the best thawing results.

### Microwave:

Penetrating straight into the food, microwaves cook very quickly and with considerable energy savings. Suitable for cooking without fat, they are also able to thaw and heat food without altering its original appearance and aroma. The microwave function can also be combined with conventional functions with all the resulting advantages. Ideal for all types of food.
