IT'S THE WOOL SWEATER GUARDIAN.

Now you can tumble dry everything you wash. From the softest wool sweater to an everyday business shirt or ski jacket. Dryers with the AbsoluteCare® System have tailored programming to precisely control the movement and temperature of the drying cycle.

Bespoke protection for your clothes

The programmes in our unique AbsoluteCare® system precisely control the movement and temperature of the drying drum. Woolens are kept flat against the drum to replicate flat drying. Outdoor garments are given just the right amount of heat to

Safe, low temperatures

AEG SensiDry technology draws moisture out of fabrics at half the temperature of conventional tumble dryers, without significantly extending the drying time. This ensures that fabrics are never subject to unnecessary heat. Your clothes will keep the textures
