

CGB6133CCM FS Cooker

Cook completely different dishes simultaneously

This double oven provides greater versatility, allowing you to cook in larger volumes, or easily cook completely different dishes simultaneously.

Pan supports in elegant, modern design

The cooker's cast-iron pan supports have a modern and stylish design. Elegant yet highly functional, they perfectly support all sizes and shapes of pans.

Efficiently clean. No effort required

Taking taste to the next level shouldn't result in intensive cleaning. The catalytic cleaning activates at 200°C. Absorbing grease and residue without a trace. So the cooker is kept clean every time it's required for creating recipes.
