

The hands-free hood. It works for you

Get extra help in the kitchen with Hob2Hood. Instantly responsive, the hob automatically switches on and regulates the light and fan functions of your hood, allowing you to focus on what matters most, your cooking.

Product Benefits & Features

Hob2Hood. Your kitchen companion

Hob2Hood is the wireless connection between your hob and hood, effortlessly adjusting the extraction fan based on your cooking temperature. Instantly responsive, this feature ensures you always have extra help in the kitchen.

- Heat activated catalytic cleaning
- Auto-stop anti-tip chrome shelves
- Cooking timer
- Hob features:
 - Residual heat indicators
- Top oven features include:
 - Main oven features include:
 - Conventional cooking
 - Dual circuit variable grill
 - Grill
 - Cooling fan
- Isofront® plus triple glazed door
- Main oven energy class: A
- Top oven energy class: A

Induction Hob. A cooler surface for a safer kitchen

Our Intelligent Induction Hob technology heats pans and the food in them, but nothing else. The surface around the pan stays cool. So, if you accidentally touch the hob near the pans while you're cooking, your fingers are safe.

Catalytic Cleaning. A spotless oven without effort

The Catalytic Cleaning feature prevents dirt and grease from building up in the oven. This self-cleaning technology automatically activates when the temperature reaches 250°C and removes cooking residue. No scrubbing needed.

Consistent results on both levels in your oven

With a fan and a heating element working efficiently together, the temperature within the oven is completely consistent on both levels.

Perfectly bake even the largest batches

The XL Baking Tray is larger than standard-sized baking trays, enabling you to turn out larger batches of sweet treats, with the satisfaction that every single one has been perfectly baked.

Product Specification

Dimensions	894-912x600x600	Grids type - Bottom Oven	1 Flat shelf chromed wirework, 1 Grill pan grid chromed wirework
Voltage	240	Runners	Grid Runners with Stop
Total electricity loading, W	11300	Runners - Bottom Oven	Grid Runners with Stop
Required Fuse	30	Gas supply: natural gas	No
Cavity size	73	Gas replacement	No
Volume usable, l	39	Gas replacement	No
Largest Surface area	1330	ProdPartCode	All Open
Colour	Stainless steel		
Cleaning	Catalytic		
Cleaning Bottom Oven	Catalytic		
Energy class	A		
Energy efficiency class	A		
Energy consumption, hot air, kWh/cycle	0.82		
Energy consumption per EU standard cycle	0.75		
Right front - Power/Diameter	1800/2800W/180mm		
Right rear - Power/Diameter	1800/2800W/180mm		
Dial	2300/3600W/210mm		
Rear - Power/Diameter	1400/2500W/140mm		
Tray types included	1 AirFry tray, 1 Dripping pan black enamel		
Type of Trays - Bottom Oven	No		
Grids	1 Flat shelf chromed wirework
