Easy Installation

The Mini O Plus comes with a magnetic base and mounting kit for easy placement on walls or ceilings.

Once set up, you can manually adjust it to cover just about any angle you need.

Full HD 1080p video with an ultra-wide-angle lens

The Mini O Plus delivers Full HD 1080p video, and with a 135° ultra-wide-angle lens, it covers a wider range of space, so you can keep an eye on what's valuable to you.

Keep Them Safe, Day and Night

When it's dark, the C2C (Mini O Plus) automatically switches to night vision mode for around-the-clock Full HD video coverage.
The lens is ringed with infrared lights for night vision up to 7.5 meters.

Instant alerts (manual activation required)

The C2C (Mini O Plus) watches for movement.
It will take a picture and send alerts to your smartphone when it detects motions.

Two-way audio

The camera comes with a built-in microphone and speaker, enabling two-way audio via the camera and your phone or tablet.

Specifications

Model CS-CV206-BO-32WFR

Camera
