## Functions

## Options

- **KIT6CX** - Classic aesthetic stainless steel door panel option

**Soak programme:**

The soak programme provides a rinse to prevent dirt from drying.

**Eco:**

Eco, this economic wash programme uses a low amount of water and energy in order to provide the most environmentally friendly cleaning option.

**RAPID 27 MINS:**

A new quick programme which takes just 27 minutes, suitable for a lightly soiled load.

**HYCLEAN:**

When the HYCLEAN option (or Ultracleanse programme) is selected, the dishwasher performs a final 10 minute rinse at a high temperature of 70°C, eliminating virtually all bacteria to achieve the highest possible standards of cleanliness. The Hyclean option can be selected with almost all cycles at temperatures above 50°C.

**Normal programme:**

The normal programme is suitable for normal degrees of dirt for everyday use.
