INTRODUCING THE SHARP SHIRT PROTECTOR

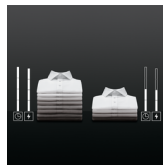

Maintaining your professional look day to day should be effortless. Our ProSteam® Technology means that your shirts look sharp for longer by enabling you to reduce creases by up to one third. Cutting down on dry-cleaning and ironing means less wear on fibres.

Less ironing. Clothes refreshed

These AEG washing machines use steam as a quick and easy way to refresh creased clothes so they're ready to wear. The short, gentle steam programmes safely remove odours and reduce creases in dry fabrics. Or you can finish your wash cycle with a

Caring for clothes. Saving water and energy

ProSense technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and
