

# Freestanding Range Cooker, Dual Fuel, 90cm, 5 Burners

Series 7 | Classic

Black

Get the best of both worlds with dual fuel. A gas hob with wok burner is paired with a nine-function convection oven.

- Five burner gas hob, with precise heat control
- Convection oven with 140L total capacity and nine oven functions including Pastry Bake with pizza mode and rapid proof for making bread
- Non-tip full-extension shelves for safe removal of hot dishes

## DIMENSIONS

Height	898 - 946 mm
Width	897 mm
Depth	600 mm

## FEATURES & BENEFITS

### Multi-shelf cooking

Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfectly as food cooking on the bottom shelf.

### Quality and durability

Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable hob trivets and glowing halo dials all add up to an exceptional, premium range.

### Burner power & control

Instant and immediate control from the highest to the gentlest heat. The finely tuned hob controls let you sear, stir fry or simmer a delicate sauce to perfection.

### Large capacity oven

The generous 140L total capacity oven gives you plenty of space to cook multiple dishes at once.

### Easy to clean

Your hob simply needs a quick wipe to keep it looking good as new for years to come, as the gas hob is made from a single piece of stainless steel that contains spills. The oven door, its inner pane of glass and runners can also be removed for easy cleaning.

### Even heat

Accurate, electronically-controlled oven heat ensures a great result every time.

## SPECIFICATIONS

### Accessories

Chromed shelf runners	1 set
Flat wire shelf	•
Full extension sliding shelves	1 set (part 578744)
Grill rack	•
Kick strip, stainless steel	Part 81661
Roasting dish	•
