- Streamlined design with hidden handles

DIMENSIONS

Height	1720 mm
Width	790 mm
Depth	695 mm

FEATURES & BENEFITS

ActiveSmart™ Foodcare

Every time you open your refrigerator, the temperature around your food changes. ActiveSmart™ foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.

Water on tap

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage

space in your refrigerator.

Ice maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

Design quality

Our refrigerators are designed and built using quality materials. We use real stainless steel, and solid glass for shelving as well as in our wine cabinet doors.

Easy cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Simple storage

This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

Clever energy

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses only the energy it needs without compromising on food care.

Humidity control

Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

SPECIFICATIONS

Capacity

Freezer	146L
Refrigerator	348L
Total net volume	494L

Consumption

Energy consumption	369kWh/year
Energy rating	F

Freezer features
