

SWE61501DG Refrigerator

The difference between fine and exquisite

Connoisseurs know that the best bottles deserve the best conditions. Which is why AEG has designed the Wine Cellar Range. Select from a range of styles to suit taste and collection size. The cellar maintains the optimum temperature, prevents corks from drying out and develops the complexity of flavour in each bottle.

Every wine. Illuminated

Specialist glass protects wine from external UV rays while LED lights integrated into the design provide total visibility.

Premium lighting

LED lights integrated into the design provide total visibility.
