# Floodlight Security System

## Wi-Fi Series

### Protect your home at all times

The camera is like another set of eyes, using True Detect™ technology to sense heat from people & cars, triggering a push notification & recording

### See what's happening outside 24/7

Mount it outdoors & connect via Wi-Fi to see what's happening on your smartphone in crystal clear 1080p full HD video

### Speak when you see a visitor

2-way audio means you can talk to visitors & tell delivery people where to leave a package

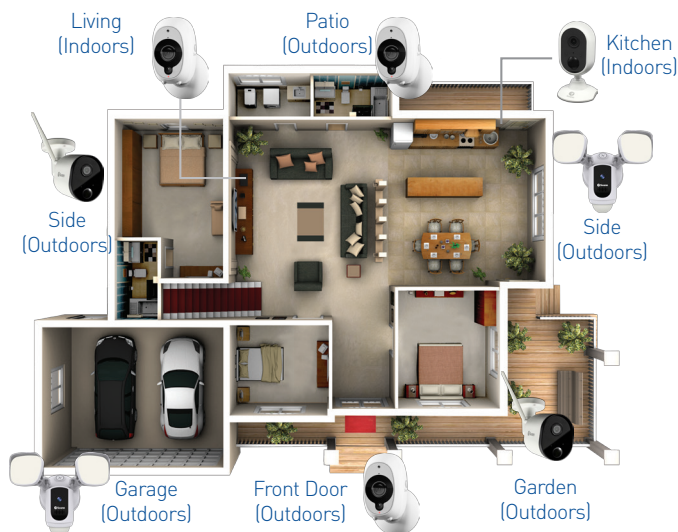

### Safeguard loved ones, pets & property

Super bright floodlights turn on when activity is detected, the speaker can sound a siren & you can even talk back to scare off intruders in the act!

## Create your own Wi-Fi security system

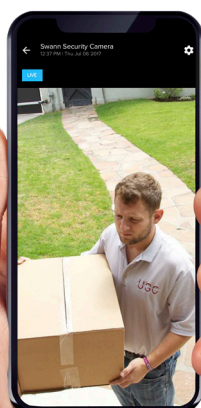

Combine the Floodlight Security System with other SAFE by Swann products for complete security.

## Control, view & listen on your Smartphone

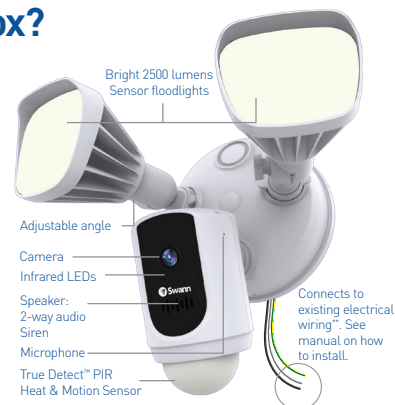

Download the FREE app
