# PREMIUM TOOLS FOR YOUR CORDLESS SLIM VAC

- 1 PET TOOL:** Pet hair can be a real nuisance to remove. This pet tool attachment lifts the hair allowing it to be easily vacuumed away.
- 2 SOFT DUSTING BRUSH:** This speciality brush has been designed for delicate and fragile areas. The soft bristles help protect from scratches and create a gentle airflow to remove dust.
- 3 STAIR & MATTRESS TOOL:** Specially designed for cleaning large textile areas such as mattresses and sofas, this attachment is also ideal for stairs.
- 4 FLEXIBLE CREVICE TOOL:** Get into all those hard to reach places. The Flexible Crevice Tool is ideal for cleaning between furniture and awkward gaps.

No more lost tools! Use your free accessory bag for storage.

Only use Vax Genuine Parts with your Vax machine.
