Indoors or outdoors, in the pool or on the side of a mountain the XMOVE has a Sports mode to monitor and measure your activity. Be rewarded for your activity by collecting Xcoins to be used in Xplora's unique Goplay Platform.

Goplay from Xplora

Never before have people been so inactive as they are today. Xplora wanted to help change that by launching the world's first Goplay Activity Platform combining your physical activity with rewards and entertainment provided by some of the world's leading entertainment companies including Sony PlayStation, Paramount Pictures, Warner Bros and Fox to name but a few.

Our Goplay Platform helps keep you engaged with your Xplora device by rewarding your activity with Xcoins that you can use exclusively in our Goplay Platform.

Play to move the world
The Xplora Goplay Platform helps children and families learn that everyday activities have value and that their actions have an impact, giving kids a positive and safe start to the digital world. #Goplay and get involved at myxplora.com
