

Make even the most complex meals simple to prepare

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

Product Benefits & Features

Cook quicker, enjoy more

Enjoy tastier meals in less time with the fast-heating hob from Zanussi. Switch it on for instant induction power, heating pots and pans quicker than electric hobs. Whatever you're creating, spend less time cooking and more time sharing food with friends.

- Hot hob indicator
- Thermaflow® fan oven
- Top cavity features:
- Main oven features:
- Top heat
- Cooker features:
- Easy clean enamel oven interior
- Interior light in main oven
- Triple glazed doors
- Top oven: A energy rating

Get twice the cooking capacity with two oven cavities

Let's face it – in the kitchen, you don't always have the luxury of being able to do things one at a time. Luckily, with two oven cavities, you can easily bake and grill simultaneously – getting your meal onto the table much faster.

Everything evenly cooked

Get evenly-cooked meals every time with Zanussi. The built-in fan distributes air around the oven cavity for precise coverage. Everything emerges as it should. No more partly-cooked or overdone bits. Just great food that's always ready for the table.

See exactly how oven dishes are doing with just a glance!

The large glass windows in this cooker's ovens let you see at a glance whether your dish is as brown and crispy as it should be.

Added capacity for every occasion

For those occasions when you need to cook for visiting family or friends, this larger baking tray matches your larger oven. It's 25% larger than the standard size.

Product Specification

| | |
|--|---|
| Dimensions | 894-912x600x600 |
| Voltage | 240 |
| Total electricity loading, W | 10700 |
| Required Fuse | 30 |
| Cavity size | 77 |
| Volume usable, l | 39 |
| Largest Surface area | 1330 |
| Colour | Stainless steel |
