

Healthier and crispy results

The AirFry oven provides a healthier alternative to oil frying. You can now enjoy the crunch of perfectly fried food – including your regular favourites – as well as adding a tasty crunch to vegetables. For tender insides and crispy outsides with little or no oil.

Product Benefits & Features

Crispy food made simple with AirFry

The AirFry function with the innovative perforated AirFry tray lets air circulate around your food to evenly heat it from all angles. Removing the need for turning, so you can just enjoy the crunch of perfectly fried food.

- Separate grill in the top cavity
- Thermaflow® fan oven
- Top cavity features:
- Main oven features:
- Top heat
- Cooker features:
- Catalytic liners in both ovens
- Triple glazed doors
- Top oven: A energy rating
- Main oven: A energy rating

Add steam for even tastier baking.

It's all in the PLusSteam function on our multifunction cooker. By adding the right amount of steam at the beginning of the baking process, the colour is made more golden and the crust crispier. Making it easier for you to get better baking results.

The effortless way to a clean oven

You can keep this oven clean with doing hardly any cleaning. Its special catalytic lining absorbs grease before burning it up at high temperatures.

Less work, more even-cooking

Experience effective fan cooking with the Zanussi double oven. It keeps heat moving through the lower cavity for completely even-cooking. There's no need to turn or move food around, either. Just enjoy meals as they should be, every time.

Added capacity for every occasion

For those occasions when you need to cook for visiting family or friends, this larger baking tray matches your larger oven. It's 25% larger than the standard size.

Product Specification

Dimensions	894-912x600x600	Grids type - Bottom Oven	1 Flat shelf chromed wirework, 1 Grill pan grid chromed wirework
Voltage	240	Runners	Grid Runners
Total electricity loading, W	11500	Runners - Bottom Oven	Grid Runners
Required Fuse	30	Gas supply: natural gas	No
Cavity size	73	Gas replacement	No
Volume usable, l	39	Gas replacement	No
Largest Surface area	1330	ProdPartCode	All Open
Colour	Stainless steel		
Self-Cleaning?	Catalytic		
Cleaning Bottom Oven	Catalytic		
Energy class	A		
Energy efficiency class	A		
Energy consumption, hot air, kWh/cycle	0.82		
Energy consumption per EU standard cycle	0.75		
Right front - Power/Diameter	1200W/145mm
