

No more defrosting with the No Frost freezer

The Bright Series 40 No Frost feature is specifically designed to avoid frost and ice build up, so you never have to spend time defrosting it.

Product Benefits & Features

No more defrosting with No Frost

There's no need to defrost the freezer with No Frost. The best in market, ice-free technology guarantees great performance, with no effort required from you.

- Large capacity frozen food storage space
- Fast freeze function
- 2 fold-down freezer compartments
- Reversible door
- A+ energy rating
- 307 litres gross capacity

Premium flat door design, for the contemporary kitchen

Get the stylish kitchen you want with this flat door freezer. It will easily become the centrepiece of your kitchen, with a clean-cut design with no protruding endcaps and a seamless look that continues all the way to the floor.

Reliable shelving, with safety glass

The freezer's sturdy shelving is made with safety glass, which is less likely to break compared to normal glass. And because of its smooth surface, and accidental spillages can easily be wiped away in an instant.

600 Frost Free Free-standing Upright Freezer 186 cm A+
