

No frost freezer

The Series 40 No Frost feature is the best anti-frost technology on the market. It's specifically designed to keep your freezer at a consistent temperature, so you never have to spend time defrosting it.

Product Benefits & Features

Never defrost again, with No Frost

There's no need to defrost the freezer with No Frost. The best in market, ice-free technology guarantees great performance, with no effort required from you.

- Large capacity frozen food storage space
- Fast freeze function with automatic reset
- 2 fold-down freezer compartments
- Reversible door
- Audible and visible high temperature warning signal
- Door open warning alarm
- Hinge type: Sliding door
- A+ energy rating
- 216 litres gross capacity

Easy settings, with Electronic Touch Controls

Customise how the fridge performs with the Electronic Touch Controls. The fridge's settings and functions, including temperature, can be easily adjusted to suit your needs.

Lock in nutrients, with FastFreeze

By quickly cooling ingredients with FastFreeze, the most important nutrients are locked in. So you can enjoy better quality meals when you defrost.

Product Specification

Dimensions (mm) (HxWxD)	1772x548x549
Dimensions	1780x560x550
Installation	BI Slide Door
Min. ambient temp, C	10
Cord Length	2.4
Voltage	230-240
Frequency	50
Height (mm)	1772
Width (mm)	548
Depth (mm)	549
Energy efficiency (2010/30/EC)	A+
Annual energy consumption, kWh	303
Rising time, h	24
Climate Class (2010/30/EC)	SN-N-ST-T
Freezing capacity, kg/24h	20
Noise level, dB(A)	39
Gross Capacity Freezer	216
Freezer Capacity (net)	204
Colour	White
Door hinges	Right & Reversible
Number of drawers	5 Full Width
Flaps	2, Transparent Plastic
Lamps, freezer	None
ProdPartCode	All Partn
